- 25X1 8. [] Received a call from a Mr. Robert Wright, in the Coordinator of Cuban Affairs office in the Department of State, who said he had a letter from the office of Senator Brooke concerning a request that a Professor Duncan be placed on the mailing list for the
- 25X1 [] Apparently this letter had been misdirected within the Department and I told Mr. Wright that it was my understanding that Mr. Donald Steiger of the External Research office was expecting this letter from the Senator's office.
- 25X1 9. [] Dropped by the office of Congressman John Dellenback (R., Ore.) but was advised that his wife had prevailed upon him to take the entire week off and it was suggested that I drop back the first thing next week.
- 25X1 10. [] Attempted to see Congressman Howard Pollock (R., Alaska) but he was out of the office and plans to be out of the city for the remainder of the week so I will attempt to see him next week.
- 25X1 11. [] Confirmed with Jay Sourwine, Chief Counsel, Senate Internal Security Subcommittee, that []
- 25X1 [] will be available for hearings on 3 and 4 April respectively. Sourwine will make the necessary arrangements to bring
- 25X1 these witnesses from [] and return them.
- 25X1 12. [] Mrs. Stephens, in the office of Senator George Aiken (R., Vt.), called to let me know that [] has now submitted his application forms to the Agency. I will let her know when a determination has been made as to whether the Agency has any need for him.
- 25X1 13. []
- 25X1 14. [] In response to a call from Charles Kirbow, Senate Armed Services Committee staff, asking that I assist Mr. Jim Lucier, of Senator Thurmond's staff, in pulling together newspaper material on organizations supported by the Agency, I met with Lucier and gave him a copy of our "support package" on the NSA matter. Lucier also asked if we could provide him with a copy of the first RAMPARTS article on CIA and NSA. He said the Senator is interested in the newspaper treatment of this subject. I do not propose to provide Mr. Lucier with any additional material.
